

# License Agreement

By downloading Avatar builder, you are agreeing to be bound by this license agreement.  
Learn what you can and can't do with the files you'll get.

You are allowed to use Avatar builder in unlimited projects for yourself and for your clients. This includes commercial projects for client work, and personal projects. By downloading Avatar builder, you are agreeing to the below licensing agreement.

- You can't sell, distribute, sublicense, or grant rights to the files or assets within the files in original or modified form.
- You can't republish the files or assets within the files online.

In short, you can't sell the files, or publish it in any platform, just use it by yourself for your personal project or for your client project. If you willing to share the file to others, you can send them link where you get the original file (Link to files on my gumroad ofc). Furthermore, if you ever want to modified the files for any reasons, you need permission from Afif husain makalalag, so please email at [afifhusain9@gmail.com](mailto:afifhusain9@gmail.com).

## **An end product is the following**

The end product is unique avatar with different attributes. You can create your own avatar with provided assets or you can use it for dummy on your project, or add to your client project.

## **You are allowed to:**

- You may use it for addition in your personal or commercial project.
- You can include the end product in you project for your client.

## **Examples of usage allowed by the license:**

- Using end product for your profile pict.
- Using end product to your personal or comercial project.
- Using end product for addition to your project with your client.

## **You are NOT allowed to:**

- You can't sell and distribute the end product product as-is or in modified form. (eg.Creating NFT's from the end product or selling it to web or any like that)
- You can't redistribute the Item as in a tool or template, or with source files.

## **Limitation of liability**

Use the file or end product at your own risk, I'm not be held liable for any consequential damages related to your use of Avatar builder. Except for your right to use the file, all other rights are owned and retained by Afif husain makalalag.
